## **FOR IMMEDIATE RELEASE:**

The youth being sought for questioning in the attack on Franklin County Children Services worker has been arrested early this morning and is being held in juvenile detention.

Columbus police reported that at approximately 1:30 a.m. on Wednesday, June 12, they received a call from a private citizen, advising that they had witnessed someone driving a stolen car in the area of Cleveland Avenue and 2nd Avenue. Police found Chiann Morrow behind the wheel of a car belonging to a county employee. The employee had been assaulted on Monday night while transporting the youth to a placement facility on the West Side.

The FCCS worker was knocked out of her car, which was last seen fleeing eastbound on Mound St. about 10:30 p.m. Monday. A bystander who came to the aid of the FCCS worker was also injured when he tried to stop the apparent carjacking.

Authorities have charged Morrow with one delinquency count of receiving stolen property, but the criminal investigation continues.
