Holiday Season 2016

Franklin County Holiday Wish Program is Underway! Children Services Brings Hope to More Than 5,500 Children

We are looking for Wish Granters! Many of the children under agency care can benefit from the generosity of the public if you can help grant their [Holiday Wish](#).

For more than 50 years, Franklin County Children Services has granted the wishes of more than 170,000 children under the care of the agency. These are children who may have experienced abuse, neglect or other difficult home situations and rely on the generosity of the community to put the joy back into their holidays. Last year, the community provided gifts to more than 5,500 children. Year after year thousands of individuals, businesses, churches, and civic groups have come forward to help.

For many youth a donation from Holiday Wish is the only time all year that they will receive a new toy of their very own. They live with their parents, relatives, in foster care or in residential care. Without the help of the community, there is no guarantee these children will experience the true spirit of giving and receiving.

Holiday Wish is a unique gift-giving program because there are several options available to donors to help each child's wish come true. [Donors](#) can sponsor individual children, make monetary donations, or donate new toys. Children Services caseworkers deliver the gifts on their daily rounds in December.

The process begins with a wish. The child's specific wish (a gift valued at \$40) comes true through the generosity of a donor who shops for the gift and delivers it to Children Services at 855 W. Mound St. Monetary donations are needed for youth 12 through 18. New toy donations of any kind are also in great demand. All donations to Holiday Wish may be tax deductible.

Donations may be made by calling Holiday Wish at (614) 275-2525 or online at fccsholidaywish@franklincountyohio.gov. Holiday Wish progress can be followed on Facebook, Twitter and Youtube. Find out how you can help children enjoy the holiday season. Tag us on your Social Media platforms under #WishGranter, #HolidayWish.

Call Holiday Wish at (614) 275-2525 or send an email to holidaywish@fccs.us.
