

## **Director of Provider Services**

Franklin County Children Services is seeking a director for the agency's provider services department. The incumbent will provide leadership and direction to staff regarding the identification, development, acquisition, implementation, referral and monitoring of placement, community based and medical services for families involved with the agency. The candidate must be able to identify and implement strategies to assist casework staff in service provision and planning for families. The position is responsible for ensuring provision of care to youth in custody as related to Medicaid and overseeing the agency visitation and support team services. The director reviews documents related to family service procurement including RFPs, contracts and MOUs, as well as manages relationships with community providers. The incumbent will supervise an administrative assistant and a team of associate directors who oversee provider management, Medicaid, medical, support team services, placement and community referrals.

The preferred candidate will possess a master's degree in social work or a related field and have extensive supervisory, administrative and child welfare experience. Excellent communication, organization, critical thinking, and writing skills; respect for cultural diversity and a demonstrated commitment to cultural sensitivity are expected. We offer a competitive salary, plus excellent fringe benefits.
