

Management Analyst 2

Franklin County Children Services is committed to eliminating systemic inequities and promoting the differences which define our workforce and community. The newly created Organizational Health Department will work to align our Agency's strategic plan, with the recognition of the role and impact that diversity, equity, and inclusion have on our Agency and the children and families we serve.

The Management Analyst 2 position will work with department leadership, to manage projects and procedures to advance organizational change, support the assessment of agency programs and organizational priorities, foster a positive and inclusive work environment, and assist in mobilizing employees along our culture change journey.

Advantages of working with Franklin County Children Services:

- Health care benefits - medical/dental/vision/RX/mental health/EAP
- Life insurance plans
- Ten paid holidays, five personal days and two weeks of vacation after your first year!
- We contribute 8.5% of your OPERS contribution
- Tuition reimbursement
- College loan repayment and Perkins Loan deferment/pay-off
- Longevity pay/length of service pay
- Opportunities for advancement!

Qualifications:

- Master's degree in social or behavioral science with several years of child welfare experience. Advanced knowledge of and experience with child welfare systems management, program evaluation, statistics, strategy, diversity, equity, inclusion and/or culture.
- All positions are subject to a criminal background, fingerprinting, employment verification, and motor vehicle report check.
